**Success doesn't come from what we do occasionally; it comes from what we do consistently.**

Esteemed guests, respected members of the community, loving parents and cherished well-wishers, a warm and respectful greetings to you all. It is with immense joy and a profound sense of gratitude that I present the Annual Report of St. Joseph's English Medium School, Keezhoor, for the academic year 2024-25.

First and foremost, I express my sincere gratitude to Almighty God, through our heavenly patron, St. Joseph, for the abundant blessings and powerful protection that grace every moment of our lives. My heartfelt thanks also go to my superiors for their unwavering support, encouragement, and invaluable guidance.

Our mission remains steadfast: to provide a nurturing environment that fosters the holistic growth and development of our students. Through this, we instill confidence, self-respect, and enthusiasm in our students, equipping them to face life's challenges with resilience. Guided by the values of Jesus Christ and Blessed Thomas Maria Fusco, our goal is to mould compassionate leaders who embody intellectual maturity, moral uprightness, and social responsibility.

This year, we once again achieved 100% success in the Class X Board Examinations. All students passed with distinction, with six students secured A1 grades in all subjects. Our school topper, Eva Rose Sajan, brought us immense pride. We extend our gratitude to our dedicated teachers, supportive parents, and, above all, the Almighty. As we prepare 61 candidates for the upcoming Board Exams, beginning on February 15, 2025, we request your prayers and support.

I extend my deepest gratitude to our parents for their unwavering support and constructive feedback.
